Summary on Aug 05, 2016 edited by Irene Hsu:

1. As usual at check in time in the very beginning of the meeting, acting president Sunny, lead us an interesting topic about Donald Trump v.s. Hillary Clinton who will fight it out in the race for the White House. We had vicious discussion. It was good way to learn debate. .
2. Toastmaster of the evening set a theme “English song”. It was the first time Happy Life had been able to hear a talent good singer Frenando charmed on audiences tonight. The members reaction was phenomenal, we song together along with claps. What a wonderful night.
3. Word of the day “vicious” conducted by Anna Kuo. Who also served as LE with a computer, checked the words on the spot to correct our wrong usage during meeting, such as "give us a ride“ instead of “drive us to “, “on the earth: instead of “in the earth”.
4. Kevin’s Workshop, “the moments of truth”, we never get a second chance of first impression. When was your first time to fall in love with Toastmaster? There are 6 faces to review if our club meets each standard for crystal concept which is very useful.
5. General Evaluator Irene reminded that Table Topic Master should mention the rules & purpose of Table topic before giving questions. In addition, the questions duplicated with the theme of English song. For members have more opportunity to practice it, firm questions would be much helpful.
